OUR ASSETS

- 100% employment rate 6 months after graduation
- Demo reel to facilitate integration to the labor market
- Practical exercises to complement the pedagogical progression
- Gobelins is a member of RECA (the French Animation School Network) and of IPAX (the US network of schools recognized by Sony Pictures)
- High-level faculty members, professionals coming from well-established studios
- International mindset required to work on multicultural projects and in multicultural contexts (courses and conferences in French and in English)
- Participation in a speed-recruiting event organised during the Annecy festival in June for last year of the course (more than 50 companies usually attend)

IMAGE &
INDUSTRIES
CRÉATIVES

This programme is in partnership with CITIA (la Cité de l'Image en mouvement d'Annecy). CITIA is a Skills and Resource Centre promoting culture, economy, training and research in the field of moving images and creative industries based in Annecy. CITIA organises the International Animation Film Festival, the Animation Film Market and runs the Papeteries Image Factory a new business park inaugurated in 2015.

The course will be delivered in Annecy, in the Papeteries Image Factory, in order to allow participants to be immersed in a very dynamic and professional environment.

OPEN DAYS

February, 11th and 12th 2022
