PARTNERSHIP

This programme is in partnership with GOBELINS, l'école de l'image and the City of Moving Images (CITIA). CITIA is skills and resource centre promoting culture, economy, training and research in the field of moving images and creative industries based in Annecy. CITIA organises the International Animation Film Festival, the Animation Film Market, the Forum Blanc and runs the Papeteries Image Factory a new business park inaugurated in 2015.

The course will be delivered in Annecy, in the Papeteries Image Factory, in order to allow participants to be immersed in this very dynamic and professional environment.

OUR ASSETS

- ❖ Specialization training in 3D Character Animation
- ❖ Hands-on practical exercises with high levels of pedagogical progression to offer students a professional level of 3D animation
- ❖ 2-month internship or professional experience with a training report to be written
- ❖ Production of a demo reel to help students enter the professional world
- ❖ Trip to attend the RECA Days annual Animation event dedicate to students
- ❖ Special speed-recruiting session during the Anney festival for the GOBELINS students finishing their training (more than 40 companies attending this event)
- ❖ GOBELINS organizes a speed-recruitment session during Anney International Animation Festival for the last year students and in Paris after the graduation jury for all the last year students. GOBELINS is a member of RECA, the French Animation School Network, and a member of IPAX network (schools selected by Sony Pictures).
